### Fireworks

Will take place at 22:00 hours on Friday and Saturday nights from Bournemouth Pier. There will also be pyrotechnic displays by various aircraft during the night/dusk displays.

### How to find out more

Visit the website [www.bournemouthair.co.uk](http://www.bournemouthair.co.uk), follow us on Twitter @BmthAirFest / #bmthairfest or like us on Facebook - Bournemouth Air Festival, for latest Festival updates. You can also tune into Hot Radio on 102.8 FM

### Please note:

The event organisers would like to mention that spectators by viewing the displays from the sea, even beyond the MSZ, are placing themselves in a heightened risk area compared with viewing from the main festival site onshore. Spectators need therefore to consider the risks and commercial operators should consider their duty of care to their passengers and crew.

The flying of drones will not be permitted during the event and flying may be suspended until it has landed. The Civil Aviation Authority will prosecute any breaches by drones of the restricted air space at the Bournemouth Air Festival.
